➤ ¿What is the "MIJAS HANDBALL CUP"?

It is an international tournament being held in the village of Mijas with the support of the Town Hall of Mijas, private companies and the Mijas San Francisco de Asis handball club.

Mijas Handball Cup will not only be a week of intense competition in handball, but also there will be time to know Mijas and its surroundings, visiting sites such as the water park and, of course, enjoying the real Costa del Sol, with its beaches, where every day we will prepare activities for the participants.

That's why **Mijas Handball Cup** is more than an international handball tournament; It's a week of coexistence, enjoyment and competition.
