

## **Guidelines for Presentations**

### **Oral Presentation**

- Oral presentations shall be recorded as a video in MPEG4 format.
- The presentation time will be 10 minutes.
- For those who never did a recording before, the EHF created a tutorial for PowerPoint which will be sent out following a successful registration.
- The EHF will provide the opportunity for discussion, the format has to be clarified depending on the technical opportunities and will be communicated in a following announcement.

### **Poster Presentation**

- Poster size is A0 (height: 120 cm, width 90 cm) – The posters will be shown digitally
- Poster format is portrait
- Posters will be presented during the whole event
- Authors can discuss the details of the presented topic with the participants of the conference individually.

The Presentations shall be uploaded to the EHF Cloud. A respective link will follow a successful registration.
